

Dining Out for Swift

Swift parents invite your restaurant to participate in a new program to support our school: **Dining Out for Swift**. Each month, the Swift community and the business community will work together for a strong Edgewater school. At Swift, we often say we are “doing it better together!”

Swift is a highly-rated neighborhood school with a fine arts focus. Truly an Edgewater school, our kids come from over 50 different countries and speak over 65 home languages. Swift parents are proud to be the most diverse of all Chicago Public Schools, and we are seeking an equally diverse group of restaurants to support Swift.

Here's how it works:

- You choose a date to **donate 10% of sales** to Swift.
- Swift parents promote the program and your restaurant's participation to our school community and Edgewater residents through flyers and social media.
- Your restaurant makes a tax-deductible donation to Friends of Swift, using the enclosed envelope or online at www.friendsofswift.org
- Donations go toward ongoing Swift needs, including instructional materials, supplies, and our annual Spring musical.
- Your business keeps our neighborhood school strong, and Edgewater thrives!

Please join your business community in supporting our school. Dates available in 2017:

- February 3 - Ethiopian Diamond
- March 3
- April 7
- May 5
- June 2
- July 7
- August 4
- September 1
- October 6
- November 3
- December 1

Please note that proposed dates are the **first Friday of each month**. Consistency will help with promotion, but we are flexible. Please contact us to arrange dates for your participation in 2017 and beyond.
